

fidelic.ai

Bring your website in-house.

Your own AI turns your ideas into website improvements, with FidelicAI cookbooks. Help customers find you, understand your offer and buy, in a browser or through their AI.

\$199

USD · Private two-hour workshop

Online or at your Manhattan / Brooklyn office

Book today

fidelic.ai/workshop

Your workshop comes with a 7-day money-back guarantee.

Enter email + website.

- Set up your AI, GitHub and hosting in your own accounts.
- Work on the agreed migration and check desktop and mobile.
- Practise a change, then keep improving with the cookbook.

For straightforward local-business sites. Full migration may need more work.

Software starts around \$40/month: a \$20 eligible AI plan plus \$20 Vercel Pro. Usage, domains, taxes and extra seats can add cost.

Fit and scope agreed before payment. \$199 card hold. \$49 cancellation fee, nonrefundable except as law requires. No-questions refund of the workshop fee within 7 days after the session. No ranking or AI-recommendation guarantee.
